We must come together and support this family. They came here from Chile. Valentina was going to school and just finished 9th grade. English was her second language but the school she went to was an English speaking school. Valentina wanted to learn how to build robotics. the first robot she wanted to build would help her mom around the house.

- Valentina loved @innrout

- Valentina's favorite color was pink
- Valentina loved @ozzyosbourne so much she named her dog "OZZY"
- Valentina loved Rock N Roll
- Valentina's middle name is "Pas" her parents told me it translates to Peace which she's hold up in many photos. ❤️
